

# 20. Ice Capades

**Richard** 00:00

Oh headphones. Come hither, you.

**Greta** 00:03

Oh, they're tucked under this egg box. There you go.

**Richard** 00:06

Tricksters. Yes, we have make-fish, make-fished?

**Greta** 00:08

Make-fish.

**Richard** 00:11

We have made a make-fished studio out of egg carton

**Greta** 00:15

And make-fish

**Richard** 00:17

And make fish and yoga block or cork yoga blocks and make-fished egg cartons absorbing the echoes around us.

**Greta** 00:27

And isn't it nice to arrive?

**Richard** 00:30

Yes

**Greta** 00:31

To hear one's voice in each other's ears.

**Richard** 00:36

Yes, to become one another and listen.

**Greta** 00:39

Oh, it was a lovely morning you know

**Richard** 00:42

Yes

**Greta** 00:42

Sucking your dick in the window.

**Richard** 00:44

Greta, don't have to tell everyone that we do that in the window for all to see

**Greta** 00:48

Well, we show though, so why not tell them?

**Richard** 00:52

Yes

**Greta** 00:53

Show and tell

**Richard** 00:54

Show and tell

**Greta** 00:56

Show and tell on a Friday morning

**Richard & Greta** 01:00

(Singing) Richard and Greta, gonna make your lives better, today

**Richard** 01:10

Greta I love you.

**Greta** 01:11

I love you too, Richard

**Richard** 01:13

And I just wanted to say welcome everyone to..

**Greta** 01:18

How to get the most out of your partner, with Richard and Greta.

**Richard** 01:23

(Talking over) Richard and Greta, how to get the most out of your partner with Richard and Greta

**Greta** 01:25

A listener question or a product review?

**Richard** 01:29

Greta, sorry to interrupt you. I find you so beautiful.

**Greta** 01:34

Oh Richard

**Richard** 01:35

It's difficult to continue sometimes, when I see your eyes

**Greta** 01:39

Oh, that's nice. They're so beautiful.

**Richard** 01:41

They really are

**Greta** 01:43

Oh, thank you Richard. I grow, I blossom in my beauty under your loving gaze.

**Richard** 01:50

Yes, yes

**Greta** 01:51

I open my petals, you know, my beauty shines through with my petal lids part

**Richard** 01:58

The male gays on a sidenote folks, is a name I was thinking up for a fine gay bar. So if there's any listeners that want to open a gay bar called the male gays as you know, you know, spread it with credit. You know, credit me. You're welcome to it. I think it's fucking fine.

**Greta** 02:19

I think that's gorgeous.

**Richard** 02:21

You know?

**Greta** 02:21

Can I come on?

**Richard** 02:22

Yes, you can, all are welcome. But it's just called the male gays, G-A-Y-S or G-A-Y-Z. Or, you know, G-A-Y-Zed.

**Greta** 02:31

Richard.

**Richard** 02:32

Yes?

**Greta** 02:33

I do have a couple of listener questions

**Richard** 02:35

Oh, as do I, as do I, let me get my notebook handy. Greta?

**Greta** 02:40

Yes.

**Richard** 02:40

Dan Shorts.

**Greta** 02:42

That's an exciting surname

**Richard** 02:44

Yeah, Shorts. Dan Shorts writes in to ask, "Do you have any secret talents?"

**Greta** 02:53

Yes.

**Richard** 02:54

You know, I think you know, do you have any party tricks or secret things? He wants to know, and I want to know too other things that I don't know that you can do, that you can do, you know?

**Greta** 03:03

Well, let me think. I mean, I am double jointed. You know, I can make my thumb touch my wrist like so. Can you see that? I have another thumb that goes like this. I've got joints that go both ways, you know,

**Richard** 03:17

Greta, oh she's bending her thumbs backwards like a rainbow, folks.

**Greta** 03:21

Well it takes no effort, you know, yeah, they're, they bend the wrong way.

**Richard** 03:26

Oh, folks, it's hard to see. You know, if you think about your own thumb that can't do Greta's superhuman trick, you know

**Greta** 03:31

Yes

**Richard** 03:32

Oh, that's a real thumb breaker, you know

**Greta** 03:34

And I really get the party started. You know, when I was young, I used to go, you know, like "I'm here" and then I'd bend my thumb's and oh, my God, what a night we'd have

**Richard** 03:42

Yes. "Is Greta here? Yes. Do you think she'll bend her thumbs? I hope so. I hope so, too. I'd love to see Greta bend her thumbs. Have you ever seen it? I've seen it once. But I'd love to see it again. What about your miss, would you like to see Great's thumb bending trick? Oh, it is why I came to the party, in hopes that she might arrive and thumb bend"

**Greta** 03:42

Oh yes. (Clinking glass) And everybody. Gather round, I'm gonna bend my thumbs.

**Richard** 04:05

Oh my goodness Christ.

**Greta** 04:07

I don't know if some of you have seen this before or not but I'm gonna show you the bending of my bombs. Everybody gather around

**Richard** 04:13

Oh my god. It's just so exciting. I can't wait to see this. Neither can I. Oh, look what you're doing. I think she's gonna bend her thumb. I hope she does. Are you gonna do it?

**Greta** 04:21

I am. I'm gonna do it. I'm gonna do it. See my thumb, see it facing upright, here it goes, over it goes, a little bit more, a little bit more. Look at the angle.

**Richard** 04:31

Goodness. Christ. Christ fish shit Bitch. Look at that.

**Greta** 04:38

Look at the angle. Can you believe it? Have you seen from that angle before? Do you want to see the other one?

**Richard** 04:43

I've never seen anything like it, neither have I. Have you seen it before? I've seen it once. But I'm still just as excited seeing it the second time. So am I. Yes. I want to see the other one, me too.

**Greta** 04:52

Who wants to get closest, I'll do it for you. Okay, here, watch this, bending, bending, bending. And that's it, at its full extent, now isn't that a funny looking thing?

**Richard** 05:01

Oh my goodness. This is the best party I've ever been to

**Greta** 05:04

Tequilas anybody?

**Richard** 05:06

I just want to see the thumb thing again.

**Greta** 05:08

Okay, we'll do the thumb thing again. This is so fun. You guys in the garden. Do you want to come in? I'm gonna bend my thumbs.

**Richard** 05:14

Oh, yes, yes (muffled)

**Greta** 05:18

Is anyone upstairs? Should we do it a little run around and make sure no one misses it?

**Richard** 05:21

I'll go run around, so will I, everyone's running around, so many Richards. Hi, Richard. Hi, Richard. How are you? Hi, Richard. Oh, you going to thumb thing? Yes, Richard I am. How about you Richard? Yes, on my way. Richard. Are you going? Yeah, sorry. What are you doing? I'm just on the can upstairs. Come on down. She's doing the thumb.

**Greta** 05:36

Oh, we're waiting for Richard to come out the can, let's wait for him.

**Richard** 05:39

Yes. Sorry everyone. Here I am sorry to delay.

**Greta** 05:43

Oh, I know you wouldn't want to miss this Richard.

**Richard** 05:45

Oh, how exciting.

**Greta** 05:46

This is a fun party.

**Richard** 05:48

So fun.

**Richard & Greta** 05:49

(Singing) Ya know

**Richard** 05:57

Tea, tea. What a wonderful drink.

**Greta** 06:03

I have a question from Timothy Vanguard.

**Richard** 06:06

Oh, yes.

**Greta** 06:07

Oh, Richard. This is so exciting. I can't believe this question.

**Richard** 06:10

Okay

**Greta** 06:11

We would like to invite you to our Vinyard and France. We are doing a week of communal dreaming and artwork and we invite you to help us tile our front courtyard.

**Richard** 06:22

Wouldn't that be something?

**Greta** 06:23

How beautiful?

**Richard** 06:25

Timothy Vanguard, I would be honoured. I will serve you and learn your artistry.

**Richard** 06:32

It was a fine yes from me, Timothy Vanguard. Will we, will we stomp the grapes?

**Greta** 06:39

A vineyard in France? Can you imagine, you just hear the buzzing bees and smell the lavender and the rosemary in the setting sun?

**Richard** 06:48

Yes. While you slowly tile and you can hear the tinkling of the masonry. Oh, ooh, I need some more grout.

**Greta 07:00**

Oh yes, it's hot and I wipe my sweaty dusty brow, you know, from hard work. I have a little sip of the wine from the vineyard, and I can hear the onion boy on his bicycle passing.

**Richard 07:14**

Yes (imitating bell sound) he rings his bell

**Greta 07:17**

(French accent) Oignons, dix oignons

**Richard 07:18**

Ah, oui.

**Greta 07:20**

Ah, oui. I want some oignons, don't you want some oignon, Richard?

**Richard & Greta 07:24**

Yes, yes, oui oui.

**Greta 07:26**

Yes, trois oignons

**Richard 07:27**

Yes, and I will be crouched tiling day after day and as the time wears on, my triceps will bulge, oh and I might catch and Greta's eye, as my musculature, oh, does sculpt into a finer version.

**Greta 07:47**

Oh, sinewy Richard.

**Richard 07:49**

Oops, you know, last day oops, I accidentally put the tiles in all the wrong- facing the wrong direction. I guess we'll have to stay another week.

**Greta 07:58**

Oh, no, you know, I tiled my passport underneath the courtyard.

**Richard 08:03**

Yes, I guess we'll just have to stay, oops, I tiled my pants now I give myself away when I walk because I get a loud pair of tile trousers. I can't fly like this.

**Greta 08:13**

Oh, and I'm sorry, Timothy Vanguard. Sorry I murdered you moved into your villa

**Richard 08:18**

Yes, sorry Timothy Vanguard, sorry that I'm getting facial surgery to make myself look like you and assume your identity

**Greta** 08:27

It's just that your lifestyle suited us so well and you know it fit like a glove, you know, we had to take that other hand out.

**Richard** 08:33

Yes, sorry Timothy Vanguard that we had to give your cat up for adoption, for it was fighting with our cat and our cat has rights to the villa these days.

**Richard** 08:48

Product Review, would you like to review GoBoats Adventure Cruiselines.

**Greta** 08:54

Oh yeah, we were going to talk about the GoBoat.

**Richard** 08:56

You know.

**Greta** 08:57

Richard, didn't we have an adventure this week?

**Richard** 08:59

Yes

**Greta** 09:00

It was so exciting to get on a GoBoat

**Richard** 09:02

It was gorgeous folks and we were, we were, we were behind schedule, we drove like the wind in the wrong direction, we were going to rent kayaks and we couldn't get there in time, stuck and deadlock traffic.

**Greta** 09:13

Missed the booking

**Richard** 09:15

Last minute. Rebook. A GoBoat, electric motor boat up and down Regent's canal. Holy shit.

**Greta** 09:23

Yes, last booking of the day. Sun came out. It was perfect. And then we got a very bossy introduction.

**Richard** 09:31

Yes

**Greta** 09:31

This tricky part you know if you want your boat to go left, you push the thing to the right. And if you want it to go right, you push to the left. Seems like a simple switcheroo. Oh my, did it break my mind?

**Richard** 09:39

Yes. Mind you, Greta and I had eaten some gummy marijuana cakes. Not so much cakes as little chew toys. Not too much toys as a little jelly beans, and not so much beans but hearts, and we ate those. And we were just starting to get high when Greta... took her- took her, you know, first go as first driver, you know.

**Greta** 10:10

Oh, I can't tell you how tense I was. I was going less than a mile an hour, and I was freaking the shit out and yet to be on the water. So different from walking on the

**Richard** 10:24

On the toe path.

**Greta** 10:25

Toe path, yeah.

**Richard** 10:26

We felt amongst the river people.

**Greta** 10:29

And we ate baby bells and black olives and we drank white wine from a coffee mug

**Richard** 10:35

And there were many geese, and their baby gosling's, many ducks and their baby ducklings and swans and their baby cygnets and chickens and their baby chicks. I'm just trying to think of how many baby bird words I can think of, you know what I mean?

**Greta** 10:49

Egrets and there baby eagles.

**Richard** 10:51

Yes, yes.

**Richard** 10:57

So, Greta.

**Greta** 10:59

Yes.

**Richard** 11:00

I have a surprise segment.

**Greta** 11:03

Oh my god, yeah.

**Richard** 11:05

I would like you to describe for me the best production you can imagine on ice.

**Greta** 11:15

Oh my god, you know what it is?

**Richard** 11:18

What's that?

**Greta** 11:19

I stand on the side of the rink and I wipe myself down in a thick butter substance.

**Richard** 11:33

Yes,

**Greta** 11:34

I am nude.

**Richard** 11:35

Oh goodness.

**Greta** 11:36

I take a fine back up and then a finer run up. And don't I fly low, tits to the ice.

**Richard** 11:48

Yes.

**Greta** 11:49

Fast across the whole rink.

**Richard** 11:52

Yes.

**Greta** 11:52

Like a diagonal to diagonal, corner to corner. I am just zooming out like a bullet from a gun. And when I get to the other corner, because it was that big of a run up, Richard.

**Greta** 12:07

You do the same.

**Richard** 12:07

Yes?

**Richard** 12:09

Oh, yes.

**Greta** 12:09

The other diagonal

**Richard** 12:11

Yes

**Greta** 12:11

But your penis is protected. And you take a huge run up and you do, but, I don't know what happened. But you didn't make it all the way across and you're in the middle.

**Richard** 12:26

Yes.

**Greta** 12:27

And so then I come back on to the ring. wearing high heels, mind you, not the best footwear. But tick tock tick tock, don't I come and you are face down to the ice and I sit upon you. I sit upon your like straddled, like if I was gonna ride you but you're facing the wrong way.

**Greta** 12:47

But your dick is hard in the ice, the heat of it penetrates, and your dick has a perfect dickhole down through the rink

**Richard** 12:56

Yes

**Greta** 12:57

And I'm riding you above and you're working it below, and it's not chafing because your dick's so hot, it's just melting, and I'm riding from above and pushing, you're having pleasure on the ice. And then you come through the bottom the ice to the crowd below who celebrate

**Richard** 13:15

Oh, the crowd is beneath the rink

**Greta** 13:17

Above and below and on every side, I mean it's a spherical croud

**Richard** 13:22

Theatre in the sphere. The concept, folks.. Greta, you're a genius

**Greta** 13:27

Thank you Richard

**Richard** 13:29

With my penis in the ice. Wow, my brain went so many places as you were describing that, I thought for a moment that you were going to make me burrow through the ice as you described and then give me a fine spin.

**Greta** 13:46

Oh yes, that would be wonderful

**Richard** 13:48

Yes, using my straight down bone as the pen of the spinning top and you might ride it, oh, and sing some song, you know?

**Greta** 14:00

Oh, it's like Spin the Bottle, Spin the Richard

**Richard** 14:03

Spin the Richard

**Greta** 14:04

Gather round everybody we're spinning the Richard

**Richard** 14:08

Please do tell and what happens if the Richard lands on you, should you be a lucky or unlucky member of the crowd?

**Greta** 14:16

Well, it all depends but one has to lower one's standards engaged in a game of spin the bottle.

**Richard** 14:24

Yes, yes. Yes. Five stars Greta, five stars for that ice capade I would definitely go see that show. And I think I'd get a free ticket as I am featured, featured in the production

**Greta** 14:38

A fine show. I would go again mind you, it's the kind of show that you would say to your family, you know, "I saw this fine show. Shall we just all go?"

**Richard** 14:46

Yes, yes. They'll be like "you've seen it already. Oh no, no it's okay. It's okay"

**Greta** 14:50

"No, it's fine. I want to share it with you guys", yeah.

**Richard** 14:53

Yes, and then you go. And you know, maybe it's Jeremy and Denise who get it and they don't they don't really hit it off, and it's not as spectacular and you're feeling weird the whole time going "oh sorry family"

**Greta** 15:05

Yeah, it was really good when we saw it.

**Richard** 15:07

Different cast

**Greta** 15:08

(Inaudible) -and Rebecca it, was different different

**Richard** 15:10

Different guy playing Richard and Greta

**Greta** 15:22

Okay, so here Richard, what I'm going to do is I'm going to fill your mouth with popping candy.

**Richard** 15:29

Yes.

**Greta** 15:29

And I'm gonna rub tear stick under your eyes.

**Richard** 15:32

Yes, folks. Yes. If you don't know what tears stick is, it is part of the film tricks of the trade of the, the bag of tricks in the film industry where actors rub a mentholated chapstick under their eyes balls, and it causes them to tear so that they can cry convincingly.

**Greta** 15:54

The thespian aid of the cry stick. And we're going to have some green apple Pop Rocks.

**Richard** 16:00

How lovely.

**Greta** 16:02

Yes. Let's just see where it takes you.

**Richard** 16:05

Yeah.

**Greta** 16:05

You know? So here's the Pop Rocks. Right here. And Shall I apply the stick? You want to do it yourself?

**Richard** 16:13

Yes, no, go for it, if you like, you know, she's putting the mentholated stick under my eyes, folks.

**Greta** 16:18

Yes.

**Richard** 16:20

And it's making me feel like an actor, a movie star in his trailer

**Greta** 16:26

Hopefully this is gonna make you

**Richard** 16:28

Make we well

**Greta** 16:29

That'll really unblock you

**Richard** 16:31

Yes I feel a tingling, I feel a tingling, in my lower eyebags

**Greta** 16:36

It might... a lot of emotions

**Richard** 16:40

Oh, oh, yes. I'm sure that's enough now

**Greta** 16:42

Okay, that's enough now, I'll stop there. Okay. And then there's your Pop Rocks, Richard.

**Richard** 16:48

Oh, that's enough, all right.

**Greta** 16:49

Richard's gonna..

**Richard 16:51**

Oh I can't open my eyes,

**Greta 16:53**

Oh it's too much

**Richard 16:54**

We put on too much. Can't open my eyes, folks. Tis a menthol dream come true. I feel like I'm looking into the eye of the breath, mintiest breath you know. The mouth of the, you know, like a polar bear has just eaten the whole ice mint. Okay, here come the par- pa- part rarks- the Pop Rocks.

**Richard 17:15**

(Unintelligible) I put the whole bag in. That's the sound it makes.

**Greta 17:28**

Oh, this sounds amazing, Richard. Oh it's beautiful.

**Richard 17:34**

Oh my god. It's like having peroxide in your mouth.

**Greta 17:40**

Oh, and what about the tears?

**Richard 17:43**

Oh, folks. Oh, the tears do fall as the Pop Rocks come to a subtle simmer. The percolating sounds disintegrate. Oh, and away with them do run, rivulets overflowing tears, oh for a drink. You know? Wouldn't a tequila be nice?

**Greta 18:10**

How does it feel to cry, Richard? You in touch with your inner tragedy.

**Richard 18:17**

Yes

**Greta 18:18**

You have sad eyes and a fun mouth. And it must be creating quite a conflict.

**Richard 18:24**

It is a conflict of interest. One wants to cry and one wants to party hard. You know?

**Greta 18:32**

Would you like to see my thumb?

**Richard 18:38**

Yes

**Greta** 18:38

I could bend it for you.

**Richard** 18:39

Yeah, okay.

**Greta** 18:39

There you go. You see, everything's okay.

**Richard & Greta** 18:43

(Singing) How to get the most (how to get the most), how to get the most (how to get the most), out of your partner.
